Website Content Worksheet

Client Submission Form

Please include this form with the content and materials you provide. Feel free to use your own form if that is more convenient as long as it includes the information described below. Please call us with any questions or comments. Failure to provide your content information in this format could cause delays and subject you to additional hourly charges.

Page Title	File Name for Text	Approximate # of words	Photos, graphics & outside links (If none, state "None")
	_		
Client signature required:			
		Date:
